Greetings, Donn and Snehal:

Confirming preparation for next week's meeting, I wanted you to know that I am in the latter stages of developing an update presentation on the status and progress toward completion of the River research (intercept) project and Community Involvement Plan draft development status in general. Given the improved weather of late, there has been significant activity in this regard recently and continuing this weekend. I'll send a draft presentation for review to Donn early next week with the intention of making the presentation deck available for circulation via email prior to the meeting Wednesday. (At this point, I do not anticipate being able to attend in person, however.)

As always, please write or call me with any additional needs or to discuss further.

Best regards,

K.

1. The next Community Awareness Committee will be on Wednesday, March 23, 2011 at 9:30 AM. If you would like to request specific agenda items, please email Snehal and Donn.

2. We are also sending the following helpful EPA websites on San Jacinto River Waste Pits that were launched recently:

Information about the site generally (S. Tzhone):

[http://www.epa.gov/region6/6sf/texas/san\\_jacinto/](http://www.epa.gov/region6/6sf/texas/san_jacinto/)

Information specific to the TCRA (V. Leos):

[www.epaosc.org/sanjacwpremoval](http://www.epaosc.org/sanjacwpremoval)

Please review these websites and we will be discussing/sharing comments with EPA at the next meeting.

3. Every two months, a big picture status report will be provided. The next one is scheduled on April 20, 2011 at the regularly scheduled CAC meeting.

Best wishes,  
Snehal R. Patel
